Lucky Paws Internal Operations - SMS consent form

Blank prelaunch specimen - Version IO-2026-10-25-r3. The program has not launched. Do not sign or submit this specimen; it is for public review of the planned enrollment process.

Lucky Paws Hawaii, operating as Lucky Paws, offers optional text updates supporting our animal-rescue work. Complete one form for each mobile number you want enrolled. No box is selected for you.

Name: _____ **Staff/volunteer role:** _____

Mobile number, including country code: _____

Phone arrangement - select one:

- ☐ Personal phone. I am the subscriber or authorized user of this number and am choosing these texts for myself.
- ☐ Lucky Paws-owned, individually assigned phone.
- ☐ Lucky Paws-owned, shared phone.

For a Lucky Paws-owned phone:

Device/department or assignment: _____

My authority to enroll this phone, including who authorized me: _____

_____

Shared phone's responsible custodian and current users, if applicable: _____

_____

Choose the SMS updates you want:

- ☐ **Medical reminders:** reminders for in-house staff/volunteers and authorized program principals to review vaccine, flea-treatment and deworming tasks in our care records. Check the care record before acting and record completed care.
- ☐ **Website alerts:** website availability/down and recovery notices for authorized website administrators. This choice is for the website admin group, not the general volunteer group.

Message frequency varies. Message and data rates may apply. Enrollment includes a confirmation text when the approved service is ready. These choices do not enroll you in Trap Manager, foster/public, fundraising or marketing texts. Text updates are optional; ask the on-site coordinator about non-SMS follow-up.

Reply HELP for help or email admin@luckypaws.org. Reply STOP to stop both Lucky Paws Internal Operations programs for this mobile number. STOP is always available, even if only one program is selected. You may also ask the coordinator or email admin@luckypaws.org to withdraw all texts or change one program choice. A STOP affects this number, not other people's numbers.

SMS Terms: **https://luckypaws.org/internal-sms-terms/**

Privacy Policy: **https://luckypaws.org/privacy-policy/#internal-sms-updates**

I voluntarily request the selected SMS updates at the number above. If this is a Lucky Paws-owned phone, I am signing as its authorized custodian. Authority, custody and assignment checks do not replace any required recipient consent or enroll anyone's personal phone. I will report a changed number, loss, reassignment or change in authorized use. No selection means no enrollment.

Signature: _____ **Date:** _____

Coordinator record: Collected by _____ Date/time/zone _____

Number/assignment check and method _____ Evidence ID _____

Consent recorded by _____ Register record ID _____

Keep the signed original privately. Give the signer a copy. The coordinator completes the separate register checks before activation; a signature alone does not activate texting.
